

# **RULES OF BEHAVIOR in the virtual world 3DXUnion**

## **Version 2.1**

THESE RULES OF BEHAVIOR (hereinafter referred to as RoB) ARE SUPPLEMENT TO THE TERMS OF USE. IN THE EVENT OF A CONFLICT BETWEEN THESE TWO DOCUMENTS, THE TERMS AND CONDITIONS OF USE WILL GOVERN.

### **1. Modifying 3D client files**

It is forbidden:

- 1) Change the configuration of the 3D client files using any unauthorized means. Unauthorized methods are all methods other than those expressly provided by us.
- 2) Modify files to remove any restrictions provided
- 3) Modify files to impersonate an administrator or moderator of the virtual world Soyuz3dx (Union3dx).

**1st violation:** the violator will be given a verbal warning. Depending on the severity of the violation, the first violation may be counted as the second.

**2nd violation:** the violator can be forcibly disconnected from the 3D client with a possible denial of access (ban) for 24 hours, and also, the violator's account can be deleted at our discretion \*

If you have accidentally corrupted the client files, we strongly recommend that you reinstall the client before the next launch.

### **2. Age restrictions**

If you are under the age of 18 OR another age of majority appropriate for your country, then you are not entitled to use the Union3dx virtual world (Union3dx). In the event that we become aware of access to the virtual world of Soyuz3dx (Union3dx) of minors, we have the right to block or delete the violator's account at our discretion.

If an adult user has given a minor access to their account, then we will act based on the same principles.

### **3.Measurement language**

**YOU CAN USE ANY LANGUAGE TO SEND MESSAGES.**

It is also not forbidden to write messages in Latin (using the English keyboard layout)

### **4. Using errors in the system to gain unauthorized access**

**1st violation:** verbal warning.

**2nd violation:** forced disconnection from the 3D client with a possible denial of access (ban) for 24 hours

**3rd violation:** ban for at least 24 hours with possible deletion of the offender's account

We welcome users' help in troubleshooting. If you find a system error, then first go to a place that will not arouse suspicion, and then report the error to one of the moderators and then proceed in accordance with the moderator's instructions.

## **5. Aggressive behavior (provocations, insults, profanity\*, inciting ethnic hatred)**

Aggressive behavior means any intentional, unwanted aggressive actions and words, profanity that offends other users, including, but not limited to: messages in 3D client chats (world chat, local chat), statuses, offensive nicknames, censorship on the air.

Provocation is a type of psychological manipulation carried out in the interests of a provocateur in order to induce someone to certain actions that entail negative consequences for the actors.

Aggressive behavior is a motivated destructive behavior that is contrary to the norms (the present rules of behavior of 3dxUNION) of the coexistence of people, harming the objects of attack, causing moral damage to people or causing them psychological discomfort.

Inciting ethnic hatred - Propaganda or agitation aimed at inciting ethnic or religious hatred or discord

Profanity that does not offend 3dxUnion other users is allowed in private locations, except for those locations that are fixed on a permanent basis. Locations that have the status of "standard" (fixed) are subject to the general rules without exception.

**1st violation:** Warning #1.

**2nd violation:** warning #2

**3rd violation:** mute 30 minutes (inability to write to the world, local chats)

**4th violation:** forced disconnection from the 3D client with the denial of access (ban), determined by the moderator, depending on the severity of the violation. (Ban for at least 24 hours.)

## **6. Flood/spam**

Flood and spam in 3D client chats, as well as advertising, including in private messages, are a violation of these Rules.

**1st violation:** verbal warning with possible removal of posted materials

**2nd violation:** forced disconnection from the 3D client with the denial of access (ban) for 24 hours with the possible deletion of the offender's account. Note regarding advertising: Placement of the same type of advertisement in the world chat is possible every 15 minutes! Advertising more than 15 minutes is spam and is moderated on the general basis of clause 6.

## **7. Providing a password or access to your account to other users.**

If we discover that someone else is using your account, we have the right to regard these actions as theft and take appropriate action with the involvement of the appropriate authorities. In addition to this, we will take the following actions:

**1st violation:** verbal warning.

**2nd violation:** verbal warning, as well as a possible disconnection from the 3D client with a possible denial of access (ban) for a short time

**3rd violation:** ban for at least 24 hours with possible deletion of the offender's account

## **8. Fraudulent activities**

Attempts to obtain personal / confidential information of other users, administrators and moderators of the virtual world Union 3dx (Union 3dx) using any fraudulent actions will be considered as a violation of these PP.

Personal/private information includes, but is not limited to the following: registration name (login) and password for logging into the system, IP address, location address.

**1st violation:** verbal warning, as well as taking additional measures if necessary; depending on the severity of the violation, the first violation may be counted as the second.

**2nd violation:** disconnection from the 3D client with possible denial of access (ban) and possible deletion of the offender's account.

## **9. Following the instructions of the moderator.**

You should always behave respectfully towards the moderator. Their main task is to monitor the implementation of these rules by users and apply appropriate sanctions in case of their violation.

**In the event of a disrespectful attitude towards the moderator in the form of aggressive or offensive words/actions, as well as in case of disobedience to the instructions of the moderator in world and local chats, the following awaits you:**

**1st violation:** verbal warning

**2nd violation:** disconnection from the 3D client (with possible denial of access (ban)).

**3rd violation:** disconnection from the 3D client, ban for at least 24 hours with the possible deletion of the offender's account.

## **10. Posting inappropriate or prohibited content**

If we receive information that you are posting illegal or prohibited content (for example, infringing someone's copyright, related to child pornography, related to inciting ethnic hatred, etc.)

It is forbidden to post any links to third-party resources in the profile, in chats, private messages in the game.

Messages containing advertising unauthorized by the administration, including those veiled under a picture, screen, photo, will be completely deleted by the moderators. Restrictions also apply to the user profile.

The moderator has the right to remove photos containing links to external resources, regarded by the moderator as advertising.

**1st violation:** verbal warning and request to remove inappropriate/prohibited content. It is also possible to delete the violator's account and other additional actions that we deem necessary in this situation.

**2nd violation:** ban with possible deletion of the offender's account.

We reserve the right to decide what content is inappropriate and to remove such content from our servers.

### **11. Impersonating an administrator / moderator of the virtual world Union 3dx (Union 3dx)**

Impersonation of the administrator / moderator of the virtual world Union 3dx (Union 3dx) is not allowed.

All administrators / moderators of the virtual world Union 3dx (Union 3dx) have distinctive features in the 3D world: a badge and the corresponding color of the avatar name, as well as the corresponding information in the profile. A user who claims to be an administrator / moderator of the virtual world Union 3dx (Union 3dx), but does not have the indicated signs, is not such and, as a result, becomes a violator of these rules.

**1st violation:** a verbal warning, as well as taking additional measures if necessary

**2nd violation:** forced disconnection from the 3D client with possible denial of access (ban); it is also possible to delete the offender's account.

### **12. Decisions and actions of the administrator of the virtual world Union 3dx (Union 3dx)**

Decisions made by the administrator of the virtual world Union 3dx (Union 3dx), and related actions, are final and not subject to discussion or dispute.

In the event of any disrespectful or aggressive behavior towards the administrator, the latter has the right to apply sanctions at its own discretion, including, but not limited to: removal from the location, temporary ban or blocking of the account.

### **13. Account name (nickname)**

We reserve the final word on the account name. If your account name, in our opinion, offends other users, moderators, administrators, or contains profanity of any kind, and also if the name looks like the name of our administrators' account or is otherwise misleading, then, at our request, you must change your nickname within 24 hours. Your access to the 3D world will be temporarily blocked until you make the appropriate changes.

### **14. Bans**

1st BAN - 1 day

2nd BAN - 3 days + removal of colored nickname

3rd BAN - 7 days + disconnection of all provided movable equipment

4th BAN - 1 month

5th BAN - unlimited (at the discretion of the SERVER ADMINISTRATOR).

p/s Any BAN can become perpetual at the discretion of the server administrator.

## **15. Additional terms**

a). Any user has the right to visit locations that have the status of "standard" (fixed in the list of locations) \*. Only the administration of the 3DXUnion server can make a ban on permanent visits to these locations\*. A temporary ban on visiting fixed locations can be imposed by the owner of this location, but not more than 30 minutes. For systematic violations of server rules in a location that has the status of "standard" (fixed in the list of locations) - the location loses this status. Responsibility for compliance with these rules and order in these locations is borne by the owners of these locations.

b). RP. When you are in the RP location, in addition to these rules, the rules and requirements of the RP community apply. If these rules and requirements are violated, the user is removed from the location without warning. In case of systematic violations of the user in the locations of the RP, a BAN is issued regardless of whether the moderator is present in the location or not.

in). Distribution and making public of personal correspondence (without the consent of all parties to the correspondence), personal and real information about users, as well as their relatives, family. BAN - 5 years!!! Including if the disseminated information was a fake.
